

NEW FOOTBALL OFFICIALS CLASS

The Indiana Officials Association (IOA) is pleased to offer this program for individuals interested in officiating youth and high school football. Experienced officials will guide you through your first year as an official from obtaining your license to working games at an appropriate level. We will review topics and subjects ranging from rules and mechanics to your uniform and equipment and officiating philosophy. There will be at least one practical clinic on a local high school field.

Registration: The course is open to the first 20 persons to apply.

Please print, complete and mail the attached registration form listed below with payment to:
